

Super Specialty Treatment

ESI Corporation is providing cashless Super Speciality Treatment including Diagnostics without any Cap on Expenditure to the IPs and their Family members in corporate hospitals of repute such as Apollo, Sterling, Shelby, Piramal Diagnostics etc.

Costly treatments such as Open Heart Surgery , neuro surgery, bone marrow transplant, kidney transplant or specialised investigations like CAT scan, MRI, angiography, etc. referral arrangements have been made with the reputed hospitals of the country. The total cost of such treatment, diagnostic facilities or surgical intervention is borne by the ESI Corporation.

The list of Tie-up Super Specialty Corporate Hospitals is furnished below:-

Detils of Tie- up Hospitals & Diagnostics Centers for ESI. Beneficiaries
